PRESIDENT'S MESSAGE

Dear Friends,

“Time flies when you’re having fun!” It seemed like only yesterday when I took office as your President last year and now fast forward to May 2019. We had lots of fun together as a membership and accomplished so very much this season!

With the help of an outstanding Board, awesome Fund Raising Chairpersons and their committees, and the members, we were able to support various local charities and also give \$25,000 to the MIWC Education Foundation for 2019!

Today is the reason why we exist. We have six students with us who will be awarded Education Scholarships. These children are our future and we wish them much success in their educational career!

I am honored that I had the opportunity to serve as your President and I want to thank each and everyone of you for all the support you gave me throughout the year. We really did work together as a team. Everything we accomplished this year happened because of such a wonderful, caring group of member ladies!

I look forward to continuing my work in the upcoming year by supporting the new President, Sue Ellen Welch, and Board of Directors. I encourage you to continue to share your talents with the club.

Have a safe and wonderful summer wherever you may be!

Christine Koppel, President
